China North
MACHINE

"Let the Machines do the hard work for you"

BEAT THE LOWEST PRICE IN UGANDA

Find Quality Machines

- Generators
- Agricultural Machines
- Carpentry Machines
- Welding Machines
- Water Pumping Machines

These and many more...

All you need to get that job done.

Providing Quality Machines

China North Machine Co. Ltd is located in Uganda.

This company imports quality machines from China. It supplies these machines to individuals and companies in Uganda, East Africa and to other parts of Africa.

If there is a machine you are looking for, feel free to contact us by phone, email, through our website or simply come to our offices/show rooms at Plot 18 Jinja Road. Opp. Bank of Africa and Plot 1 Spring Road, North Machine Building. opp. LG

You will find a variety of machines that you will need to accomplish different tasks in areas such as Agriculture, Carpentry, Irrigation etc...

If for some reason you cannot find what you want or have a certain machine or spare part you are looking for; come to us we will assist you.

Come, visit us and get value for money.
